Dear Ole Torsaeter,

On behalf of the North Sea Region, it is my honour to inform you that you have been selected to receive the 2016 Distinguished Achievement Award for Petroleum Engineering Faculty. This award is an acknowledgement of your outstanding contribution in this area at the regional level.

As one of our prestigious award winners, your name will be listed on www.spe.org. We currently do not have a date sent for a formal award presentation, however we will soon be establishing them with your section, or a conference in your local area.

I would be happy to also notify your employer of this prestigious award. Please email me at carlos.chalbaud@engie.com the name and address of your employer to whom you would like a letter addressed.

Congratulations on this outstanding achievement.

Sincerely,

Carlos Chalbaud
